### A Block Property Project Developments

A Block Project Developments are nearing completion. Apologies for any inconvenience, however it is already evident that the end product is going to be worth waiting for. Shade and Style Ltd will be on site during the weekends to erect the veranda and Grassman NZ Ltd will lay the turf next week (weather permitting).

### Bikes, Scooters, Roller Blades and Skateboards

Due to recent property developments these items are no longer appropriate for use in the school grounds. Thank you for your support and understanding students and parents have made a real effort.

### Ranolf Street School Entrance

Reminder that Ranolf Street entrance is not a drop off and or pick up zone. The entire entrance is a No Parking Zone!

The electronic gate system is operational again.

Pedestrian access is available by the side gate.

Arriving via Ranolf Street entrance in a car will need to utilise an intercom system to gain legitimate access to the school. Be mindful not to follow cars into the gates.

Gates work on a timing system and Glenholme School Board of Trustees will not be held responsible for damage to cars that choose to "risk it".

### **What is FOTS????**

FOTS (Friends of the School) are a group of parents and teachers that do different fundraising events throughout the year to raise funds to purchase items, sporting goods, computer programs etc over and above the school budget. We rely on parents to help at these events and only ask for a few hours a term, where you can, to help with sausage sizzles, discos, calendars etc so we can continue to support our children. Please if you can help at any time, for any length of time please phone Donna on 0272941635 or leave a message at 3478267 or look out for the form which will be out soon, fill it in and return it to school. We look forward to hearing from you.

### **Friends of the School Annual General Meeting (FOTS AGM)**

### **Dental Therapist and Service**

### **Sun Hats**

Students must wear a sunhat in term one when they are outside. Restricted play will be enforced for students without a sunhat.

### **Attendance = Achievement**

The Board of Trustees are required by Part 3 of the Education Act 1989 and amendments to ensure the enrolment and attendance of students at our school. Students are required to attend school whenever school is open. Regular attendance enhances students learning and is essential for their attainment of academic, cultural and social goals. Appropriate steps will be taken to ensure cultural sensitivity when assessing the justification for an absence. Therefore the Board of Trustees, Staff and Management understand that absences for family reasons can be legitimate and parents and students should not be anxious regarding these circumstances. However they are still officially counted as an absence according to the Education Act 1989.

If a child is going to be absent from school could you please let the school office know as early as possible. A note for the teacher on their return to school would also be appreciated. Unexplained absences will be monitored.

School Office phone number: 348 14 89 or you can now text Glenholme School on 027 769 1323.
