Friends of the School Annual General Meeting (FOTS AGM)

The FOTS committee would like to extend an invitation to all parents interested in attending the AGM for the year. Please feel most welcome to just turn up, we're always keen to welcome newcomers. The AGM will be on **20th March at 7pm.**

Sun Hats

Students must wear a sunhat in term one when they are outside. Restricted play will be enforced for students without a sunhat.

School Uniform Developments

Board of Trustees has recently reviewed the School Uniform Policy. From this review we have been investigating possible manufactures for future school uniform suppliers. It is the Boards intention to investigate suppliers who can provide a reduced cost with the same quality of garment/s.

The Board is pleased that investigations and negotiations have been constructive and positive. We look forward to future announcements informing parents of changes to the supplier, cost and possible options such as online purchasing.

Digital Citizenship and Cyber Safety Practice - Parent Evening 7pm

Tessa Gray National ICT Facilitator will be presenting at Glenholme School on 7th March at 7pm. A knowledge-based age is fundamental in ensuring that students reach their maximum potential to become lifelong learners in the 21st century. This means also assisting parents to develop skills and strategies for creating safe cyber practice for your child/ren at home. Tessa is a wealth of knowledge and expertise. Come along to the presentation in A5 to get tips on how to keep your tamariki cyber safe.

SuperClubs Plus

SuperClubs Plus is a safe learning network for Glenholme students where kids, learn, play and talk with their friends. SuperClubs Plus is available to all Totara and Pohutukawa Team students. They work on projects, build their own web pages, work to get Star Awards, collaborate with other children and schools worldwide and contribute to a huge selection of events, competitions and activities. But the most important thing is that they do all these things safely—protected every minute they are online by trained mediators.

Don't allow your child access to Facebook, get them to communicate via a cyber safe practice, with SuperClubs Plus.

Mathletics

Mathletics is available to all Totara and Pohutukawa Team students. All students have individual user names and passwords and can access the Mathletics site from home. Once again this is completely safe for our tamariki.
